[Home](#) > What formalities have to be completed when negotiating with galleries or exhibitors ?

You must :

- sign an agreement with the exhibitor or gallery with a description of the works concerned, the transport conditions (mode, dates, insurance etc...) and details of exhibition (date, venue, costs, insurance etc...), the terms of the sale of the work and payment of the artist and the gallery when the works are offered for sale.

- have a [consignment slip](#) ^[1] signed when you deliver your works which will allow you to obtain appropriate compensations in the event of theft, loss or damage.
